POLICY

1. School profile

Jindivick Primary School was established in 1876 and is located approximately 100 kilometres South East of Melbourne. We have 58 students enrolled from Foundation to Grade 6 and 12 school staff members including an AUSLAN teacher and a MARC teacher.

Our school has 4 classrooms, an Art Room (converted shed), a STEM/Music room (purchased by School Council), undercover play areas, and multipurpose all-weather basketball court. We encourage healthy, active, natural outdoor play: a combination of play-areas, include a multi-sensory/exploratory area: bamboo forest, creek, large sandpit surrounded by rocks and logs, a cubby-building area, vegetable garden, and large digging mound. We have picturesque school grounds and views. Our school has first class facilities with a strong sustainability focus, encouraging healthy eating, 'nude food' (no packaging) and other sustainable practices. Our enrolments are drawn from a wide catchment

throughout the local community, with only 50% of our student population coming from our 'Zone'.

Morning class sessions concentrate on Numeracy and Literacy linking in with other curriculum strands. In the afternoon sessions, our timetable includes Art, Auslan, Music, Sport/Health activities. Integrated studies, Respectful Relationships, Buddy Program are all woven throughout the curriculum. A MARC service provides a Library/Literacy program to our students, one full day every week. The school is committed to flexible learning, meeting individual needs, and aims for continuous improvement.

We have a strong camps and excursions program as well as a strong focus on transition.

The school is committed to the 5C values of Care, Courtesy, Consideration, Cooperation and Commonsense and these values are reinforced daily to build upon our students' development and wellbeing.

Our school's vision is to develop students to their potential: academically, socially and personally in a pleasant, stimulating and caring environment.

2. School values, philosophy and vision
